

The “Unsung Hero” Memorial Award (\$400)

Application Deadline: February 1st 2019

Terry Brunham was an integral part of the Festival Movement in Northern Alberta. Since the beginning of the NPPAFA, he would attend sessions, encourage participants and help wherever and whenever he was needed. Be it moving risers, transporting participants, or producing sound at Grand Concert, Terry quietly supported the Arts in North Peace. At the Provincial level, he cooked exceptional meals for Adjudicators, greeted nervous participants and parents, and prompted a smile from all those he came in contact with, as his quick wit and positive spirit brought calm.

The ***Unsung Hero Award*** will be presented to an individual who exemplifies these types of characteristics. It need not be a participant in Festival. We are looking for an extraordinary person who supports his/her attitude with selfless qualities, and whose presence in the Arts brings aid & encouragement to others.

The winner will be announced at Grand Concert, where he or she will be officially presented with a cheque for \$400, along with a keeper trophy.

We invite anyone to submit names and examples of selfless qualities to:

North Peace Performing Arts Festival Association
Box 7254
Peace River, AB
